Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

This tributary goes south from the lake that straddles
Sections 19 and 30. System includes a network of
small tributaries.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
